CAL FIRE

CERTIFICATE NUMBER: 2023-100001

CERTIFICATE OF REGISTRATION

Information Security Management System - ISO/IEC 27001:2022

Cadfire Certification, Inc. certifies that the following organization operates an Information Security Management System (ISMS) that conforms to the requirements of ISO/IEC 27001:2022 per the scope and boundaries statement described below:

CADFIRE	Microsoft Corporation ("Microsoft")	ADDRESS: 1 Microsoft Place Edison (NJ) 07021 United States
---------	-------------------------------------	--

Report:

The certificate scope comprises the Information Security Management System (ISMS) for the development, and delivery of the Dragon Medical One (DMO), Dragon Medical Specialist (DMS), Dragon Medical Center (DMC), Dragon Medical Enterprise (DME), and Dragon Medical Practice Edition (DMPE) cloud offerings located in the US, France, Germany and Australia, including all associated back office processes. The organizational scope of the management system includes the Governance, Risk and Compliance, and Project Development teams affecting the DMPE. These activities are governed by the implemented controls in accordance with the organizational Statement of Applicability.

STATEMENT OF APPLICABILITY

VERSION: 1

DATE: August 27, 2024

ORIGINAL REGISTRATION DATE: November 18, 2024

CERTIFICATE ISSUANCE DATE: October 16, 2024

EXPIRATION DATE: November 17, 2026

This certificate relates to the Information Security Management System, and covers the products or services of the certified organization. The certificate reference number, the result of the certification only, and the accreditation mark may not be shown on products or services in documents regarding product or service. Accreditation marks, accreditation numbers, and the accreditation number, among other things, are not to be used on the certificate itself. In the accreditation mark, the accreditation mark, the accreditation number, and the accreditation number, among other things, are not to be used on the certificate itself.
