The screenshot displays the Microsoft Azure portal interface. The browser address bar shows the URL: `portal.azure.com/?azure-portal=true#@senecacollegelabs.onmicrosoft.com/resource/subscriptions/01741d2-fb21-446d-a002-c8d9ea8bd2c2/resourceGroups/myRGVNET/overview`. The page title is "myRGVNET - Microsoft Azure".

On the left sidebar, under "Resource groups", a list of resource groups is shown, including "myRGVNET". The "myRGVNET" resource group is selected, and its "Overview" tab is active. The "Overview" tab shows a search bar and a list of resources. The status "Showing 0 to 0 of 0 records" is displayed, indicating that no resources are currently listed. Below this, a message states "No resources match your filters" with a suggestion to "Try changing or clearing your filters." and buttons for "Create resources" and "Clear filters".

The right sidebar contains a "Filter for any field..." input and a "Type equals all" filter. The "Location equals all" filter is also present. The "Add filter" button is visible. The "No grouping" and "List view" options are selected. The "Name", "Type", and "Location" columns are visible in the table header.
