The screenshot shows two Microsoft Azure browser tabs:

- Top Tab:** Shows the Metrics dashboard for the web app "IvaddeplyWebApp1234". The chart displays "Sum Requests" over time, showing a sharp spike around 5 PM UTC-05:00 on Friday, 07. A red box highlights the chart area.
- Bottom Tab:** Shows the "Resource groups" overview for the resource group "myRGWebApp1". The left sidebar lists resources like "myRGVM", "myRGWebApp1", "NetworkWatcherRG", and "ODL-seneca-lab-1506610". The main pane shows the "Overview" section with a search bar and filter options. A red box highlights the user profile in the top right corner.
